- 🌱 **Capsicum** has a strong aroma that repels aphids and ants.
- 🌱 **Cucumber** retains soil humidity and checks the growth of weeds. Cucumber dislikes potatoes and aromatic herbs.
- 🌱 **Brinjal** traps beetles.
- 🌱 **Okra** acts as a wind break for the Brinjal and Capsicum and offers shade to Cucumber.
- 🌱 **Cosmos** attracts pollinators and predators, while repelling harmful insects.
